

## Online Resources for Summer Reading

We subscribe to the following online libraries which you can access from any computer with an internet connection. Go back to ISL Wiki Pathfinders (<http://pathfindersisl.wikispaces.com/>) and scroll down until you see the icons for Tumblebooks and Bookflix. Follow the instructions on the Wiki Pathfinders Home Page to access the usernames and passwords. Students in G2-G5 can access e-books through the library catalog from a PC. User name and password required.
